**Notice of Acceptance and Schedule, 44th COSPAR Scientific Assembly, 16 July – 24 July
2022, Athens Greece**

Dear *Dr. Bartoloni*,

On behalf of the Council of the Committee on Space Research, we are pleased to inform you that your contribution to the 44th COSPAR Scientific Assembly entitled: **Dose-Effects Models for Space Radiobiology: An Overview on Dose-Effect Relationships** has been accepted and scheduled as a poster presentation in scientific event **F2.2**. The room and exact viewing time will be posted on the web and communicated to you within the next month.

Your poster presentation is an integral part of the scientific event and should be announced in the oral presentation session so that participants understand that posters are a continuation of the oral presentation session. It is thus important that you are present at your poster during the assigned times so as to engage in the detailed discussions with scientific colleagues that poster presentations allow.

Yours sincerely,

Tom Krimigis Chair, COSPAR 2022 Program Committee;

Len Fisk, COSPAR President

Details of poster presentations:

For the overall program and details of your scientific event, please consult the Assembly web site at:
<https://www.cospar-assembly.org>.

Please note that poster viewing sessions will take place Tuesday, 19 July - Friday, 22 July from 18:00 - 19:30.

Poster authors are kindly requested to be next to their poster boards during the assigned viewing sessions, the schedule for which will be sent soon, as well as on any specific day and time scheduled by event organizers.

Inclusion of your paper in the conference program carries with it the obligation for you, or for one of your co-authors as the case may be, to display and/or to present the paper at the times and in the mode indicated. You are kindly requested to inform us if you and your co-authors find at any time before the Assembly that it is not possible to attend by logging into the website indicated above and selecting the "withdraw abstract" button next to the relevant paper(s) in the MyPapers area. You should also inform the event organizers of F2.2 well in advance of the session.

The Local Organizing Committee will provide all the accessories needed for fixing the posters. Closer to the Assembly you will receive a poster number which will correspond to the board where your contribution is to be displayed. Your current poster number is TWTF-477, which may vary until the Assembly starts.

Presenters are encouraged to submit their completed manuscripts to one of COSPAR's journals, *Advances in Space Research* or *Life Sciences in Space Research*. There are no deadlines for submission as *ASR* and *LSSR* are regular journals. The web sites with instructions for authors and for submissions are <https://www.editorialmanager.com/aisr/default.aspx> and <https://www.editorialmanager.com/lssr/default.aspx>. Information is posted on the COSPAR web site and will also be available at the Assembly.

Your COSPAR Assembly presentation number is **F2.2-0035-22**. This is the final number for your presentation. Papers submitted to *ASR* or *LSSR* will be assigned a journal number that will be different from the COSPAR presentation number.

Please feel free to volunteer as chairperson for one of the sub-sessions of your event where you are not a speaker if the web indicates this position is not yet filled by the Main Scientific Organizer. If you wish to volunteer, kindly inform the event organizer by 4 May 2022. You can find your MSO/DO and contact information at www.cospar-assembly.org by clicking the Assembly Browser to navigate to the Scientific event in which you wish to serve as chair.

If you need this message in a letter format, please print this PDF file.

If you have questions concerning visas, please refer to the website of the Local Organizing Committee (<https://afea.eventsair.com/cospar2022/registration/Site/Register>) and if necessary contact info@cosparathens2022.org. All participants who need visas are reminded to apply for their travel documents as soon as possible.

We wish you a pleasant journey and are looking forward to seeing you at the Assembly.
