

Attachment A – NI Software Included in Institute's Enterprise Software Program

Unlimited Quantity Software Licenses – EP Bundle*

Control Test Plus Bundle	
Development Environments and Stand-Alone Software	LabVIEW Add-Ons
LabVIEW	LabVIEW Add-Ons: Design
LabVIEW Professional Development System	LabVIEW Control Design and Simulation Module
LabVIEW for Mac and Linux	LabVIEW MathScript RT Module
NI SignalExpress	LabVIEW Statechart Module
	LabVIEW SoftMotion Module
CVI	LabVIEW Digital Filter Design Toolkit
LabWindows/CVI Full Development System	
LabWindows/CVI Execution Profiler Toolkit	LabVIEW Add-Ons: Deploy
LabWindows/CVI PID Control Toolkit	LabVIEW Real-Time Module
LabWindows/CVI Real-Time Module	LabVIEW FPGA Module
LabWindows/CVI Signal Processing Toolkit	Xilinx Compilation Tools
LabWindows/CVI SQL Toolkit	Automotive Diagnostic Command Set
	LabVIEW Module for Lego Mindstorms
Measurement Studio	
NI Measurement Studio Enterprise Edition	LabVIEW Add-Ons: Interface
	LabVIEW Datalogging and Supervisory Control Module
Stand-Alone Waveform Editors	NI Vision Development Module
Analog Waveform Editor	ECU Measurement and Calibration Toolkit
Digital Waveform Editor	NI Switch Executive
TestStand	LabVIEW Add-Ons: Analyze
NI TestStand Development System	NI Sound and Vibration Measurement Suite
	LabVIEW Advanced Signal Processing Toolkit
Stand-Alone Motion and Vision Software	Electrical Power Suite
NI Vision Builder for Automated Inspection	LabVIEW Modulation Toolkit
NI Motion Assistant	LabVIEW DataFinder Toolkit
Additional Tools Included	LabVIEW Add-Ons: Validate
NI-Industrial Communications for EtherNet/IP	LabVIEW Unit Test Framework Toolkit
TestStand ATML Toolkit	LabVIEW VI Analyzer Toolkit
NI VeriStand (separate DVD media)	LabVIEW Desktop Execution Trace Toolkit
NI Model Interface Toolkit (separate DVD media)	NI Requirements Gateway
Device Drivers	

Additional Finite Quantity Software Licenses	
Quantity and License Type	Software Title
10	DIAdem Professional
15	Circuit Design Suite (full edition)

*Please note that NI excludes the following software products from any unlimited license program option: all AWR Software, CalVIEW, NI InsightCM Enterprise Server, NI LabVIEW C Code Generator, NI Combustion Analysis System Software, NI DataFinder Server Edition, LabVIEW Microprocessor SDK, NI LabVIEW Communications Suite, NI LabVIEW Web UI Builder, NI Lookout, NI MATRIXx, NI OPC Servers, NI TestStand Semiconductor Module, NI Technical Data Cloud, and Select NI RF Toolkits.

NI reserves the right to bundle the software in different configurations than as set forth in the table above or to rename its products.
