## – Piattaforma di ricerca di finanziamenti

- a livello globale
- permette il monitoraggio e l'individuazione da remoto di Grants su tutte le discipline (circa 200.000 funding opportunities)

The screenshot displays the Research Professional website. At the top left is the logo, and at the top right are two buttons: "Request a demo" (red) and "Sign in" (white). The main content area is a grid of six colored boxes. The top-left box is blue with a background image of a woman in a lab coat and a white icon of a hand pointing to a screen with an asterisk; it contains the text "Total Funding Awareness". The top-right box is light gray and contains "Funding opportunities" and "Totally reliable. Totally relevant". The middle-right box is dark blue and contains "Funding insight" and "Win more, fail less". The bottom-left box is light gray and contains "News" and "Trusted intelligence for better decisions". The bottom-middle box is blue and contains "Personalisation" and "The right information, to the right people, at the right time". The bottom-right box is orange and contains "Integration" and "Best information + reliable routing = success".

Expressions of Interest

Welcome to the INFN start page on Research Professional. Key advantages of the site include:

- An intuitive interface to make browsing for funding as simple as checking your email.
- Shared resources, allowing you to benefit from saved searches and folders of bookmarked items created for you by your administrators.
- Powerful search tools to help you find exactly the funding opportunities and news articles that interest you.

To help you get started on the site, you might want to take a look at the available help resources. These include:

**Video introductions**, a collection of short (1-2 minute) videos that will introduce you to the basic functions of the site.

**Quick start guide**, a downloadable PDF guide that will walk you through your first steps with the new site.

**User guide**, a comprehensive resource for all aspects of the new site.
